

Age 3-4

# Junior Explorer Program (JEP)

A gentle first step into discovery, creativity and confident expression.

JEP is an early years program designed to nurture curiosity, creativity and confidence in young children. Through guided play, hands-on exploration and meaningful interactions, children begin developing essential foundational skills that support their learning journey.

## Why This Program Matters

The early years are a critical period for brain development. Children learn best when they can explore, touch, move and express themselves freely, within a safe and stimulating environment.

### What happens in class?

#### Welcome & Warm Up

Songs, story telling, movement & simple social interactions to ease children into the session.

#### Topical Discussion

Developmentally appropriate discussions and knowledge check in on topic of the session

#### Sensory Exploration

Hands-on activities involving textures, colours, sounds and materials.

#### Creative Activity

Art, building, craftwork, experiments that encourages imagination.

#### Movement & Motor Play

Activities that strengthen coordination and body awareness.

#### Reflection & Sharing

Facilitated discussion on what they created or enjoyed, and desired topic for next class.

### Risk Free Trial Class
